WHAT IS BIODIESEL?

Biodiesel is a clean-burning alternative fuel made from domestic renewable resources, such as vegetable oil. It's nontoxic and biodegradable. And it's easy to use.

WHAT MAKES BIODIESEL SUCH A SMART CHOICE? 

Combining biodiesel with petroleum diesel creates a blend with distinct advantages over pure fossil fuel.

 IT ENHANCES ENGINE LIFE, POWER AND MILEAGE

Even a 2% biodiesel blend can keep your engines purring by:

Increasing the lubricity of ultra low-sulfur diesel fuel

Quieting engine noise

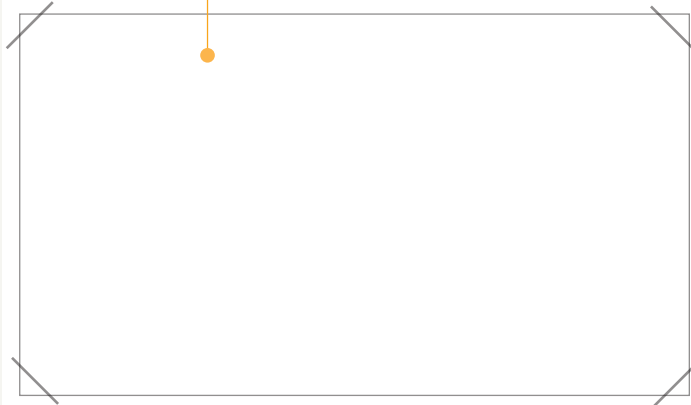

Reducing wear

And when your vehicles are healthy, so is your bottom line

ARE YOU READY TO MAKE THE SMART CHOICE?

LET US SHOW YOU HOW EASY IT CAN BE.

Call us today at (614) 272-6200 or visit us at BenchmarkBio.com

BENCHMARK BIODIESEL:

THE RIGHT CHOICE FOR SO MANY REASONS

Ohio's one source for premium biodiesel fuel blends 

WHY CHOOSE BENCHMARK BIODIESEL?

At Benchmark, we offer a rare combination: cutting-edge technology, a top-quality product, and the personal service of a small, family-owned business.

In large ways and small, we strive to be the standard of excellence for our industry. And we're here to help you do the same for yours.

NO
PHONE TREES.

NO
BUREAUCRACY.

NO
KIDDING.

IT HELPS REVIVE THE ENVIRONMENT

Compared to petroleum diesel fuel, biodiesel produces:

Up to 24% fewer CO2 emissions

Up to 29% fewer hydrocarbons

Up to 18% fewer particulates

Up to 4% fewer noxious fumes

So you can reduce your carbon footprint with every gallon you burn.

IT KEEPS OUR COUNTRY STRONG

Benchmark's biodiesel fuel comes from soybeans grown by hardworking farmers right here in the U.S. By adding biodiesel to your tank, you're doing your part to:

Create American jobs

Reduce our dependence on foreign oil

Help reduce the trade deficit

And as long as our soil is fertile, we'll keep on making more.

SUPERIOR FUEL QUALITY

Fuel is the lifeblood of your business. So at Benchmark, we:

Use only vegetable-based biodiesel

Use ratio blending at the fuel terminal for the most consistent mixture and optimal fuel performance

Maintain blend consistency by using tanks that are heated to 80 degrees

That's why we're Ohio's single source for premium biodiesel

LOCALIZED CUSTOMER SERVICE

With Benchmark Biodiesel, you get the convenience of a customer service center that's right beside our fueling terminal. You get an immediate response. And you'll always speak with someone who's familiar with your needs and your business.

No phone trees. No bureaucracy. No kidding.
